SHREE SAIBABA

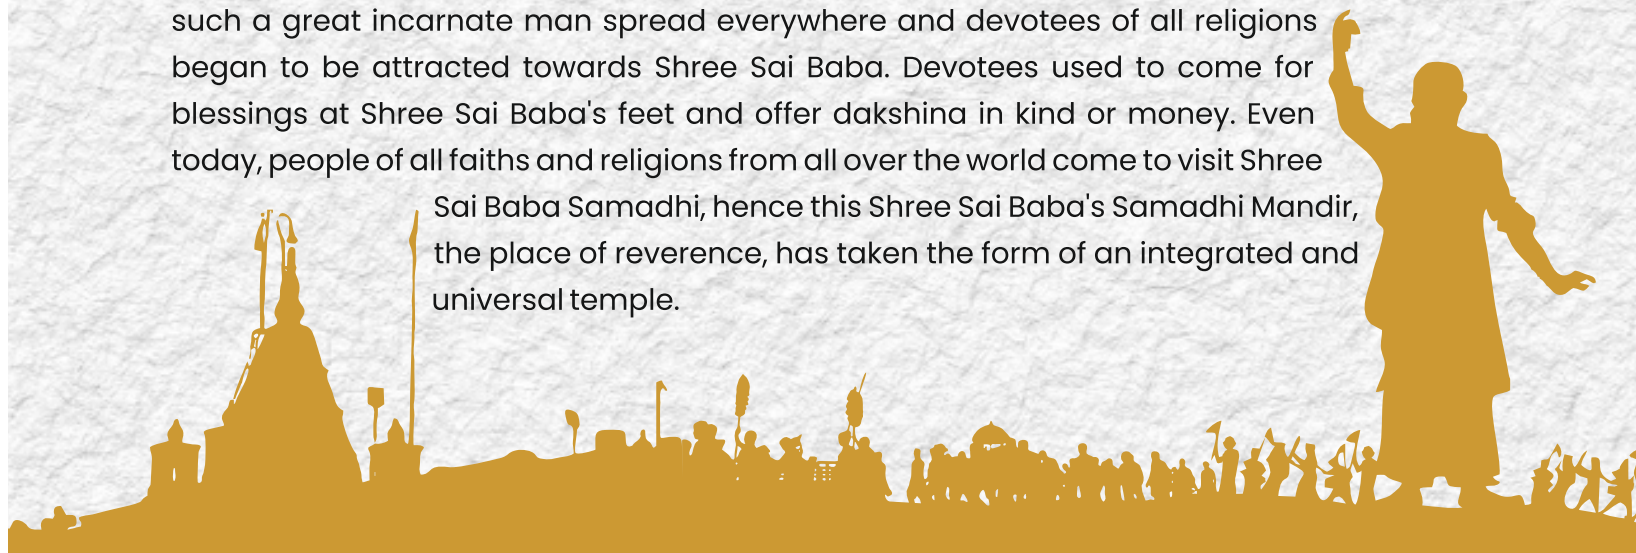

Shree Sai Baba is one of the most revered greatest saints ever seen in India. He is regarded as a Saint, Fakir and Satguru who taught love, tolerance and selfless service. His life and teachings continue to inspire millions of devotees around the world. He is endowed with unprecedented powers, and is worshipped as a God incarnate. (SAI meaning Sakshaat Ishwar) - GOD THE ABSOLUTE

Shree Saibaba first manifested Himself as a young lad of 16 years under the Neem Tree at Gurusthan. He transformed the lives of those who met him and continuously is doing so even after his Samadhi in 1918 for those whose hearts are touched by his love and who pray and call him at any emergency in life for his blessings.

Preaching of Shree Saibaba includes 'Sabka Malik Ek'. The main message of Shree Saibaba is 'Shraddha' (Faith) And 'Saburi' (Patience).

Shree Saibaba's religion, caste, creed, origin, name is still a mystery. There is no convincing information about that. The name 'Sai' was given only when Baba came to Shirdi. Shree Sai Baba kindled the love of humanity among the devotees. Shree Sai Baba loved the poor, the weak and the animals. Baba used to help them in their difficulties and crises. During his long stay in Shirdi, Baba himself cured the ailments of many devotees. Shree Sai Baba gave the teaching of Shraddha (faith) and Saburi (patience) is a great solution to the problems facing the worldly and transcendental people in the world. Devotees believe that the incurable diseases of many devotees are cured with the help of Udi in Dhuni which Baba has ignited himself and the flame continues till today. The fame of such a great incarnate man spread everywhere and devotees of all religions began to be attracted towards Shree Sai Baba. Devotees used to come for blessings at Shree Sai Baba's feet and offer dakshina in kind or money. Even today, people of all faiths and religions from all over the world come to visit Shree

Sai Baba Samadhi, hence this Shree Sai Baba's Samadhi Mandir, the place of reverence, has taken the form of an integrated and universal temple.

CHAVADI

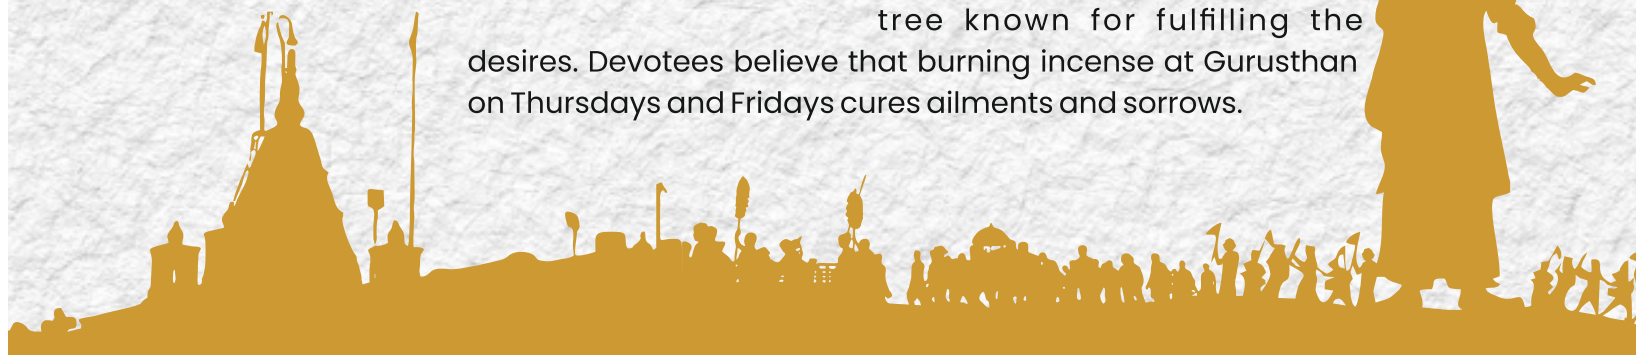

Every alternate night, Baba used to go to sleep at Chavadi. Today also on every Thursday night Baba's Portrait, Padukas (Holy Footwear) and Satka (Whip) are taken from the Samadhi Mandir to Dwarkamai and in a grand procession, and further to Chavadi in a 'Palakhi'. Thousands of Devotees enjoy and relish the 'Nectar' spread in the atmosphere by this event.

GURUSTHAN

This is the place where Shree Saibaba first manifested Himself as a young lad of 16 years under the Neem Tree. And this Neem Tree is worshipped as more than 'Kalpvruksha', the tree known for fulfilling the

desires. Devotees believe that burning incense at Gurusthan on Thursdays and Fridays cures ailments and sorrows.
